

QL- 1200S

The Next Generation A3 Wide Sheet Label Solution

Our next-generation sheet label system, the QL-1200S printer enables high-quality, full-color printing directly onto sheet materials with ink-receptive surfaces. The QL-1200S uses aqueous pigmented inks that provide superior durability and have been tested for optimized lightfastness, water durability, and scratch resistance. On approved materials, the QL-1200S produces BS 5609 certified labels, GHS hazard warning labels, and horticultural labels/tags that can withstand the harshest applications.
